Dear Mr. Duval:

This will acknowledge your letter of September 6 to Raymond Booth. We got in touch with our Philadelphia office and as soon as we hear from them as to whether they have any further suggestion we will let you know.

As to forwarding food or medicine, our organization is unfortunately not in a position to do this. You might want to get in touch with one of the commercial agencies working in this field and I would like to mention Mrs. Margaret Ebert, 100 West 91st Street, New York City. However, if Mr. and Mrs. Temianka will be sailing from Lisbon shortly, there would not be much point in having food sent as this will take some time to get through.

If you feel that there is anything that we could do we will be glad to cooperate.

Sincerely,

(Signed)

Otto M. Frey
